

U.S. CAR REUNION celebrates its 30th anniversary in Lignano Sabbiadoro during Biker Fest International 2025, the weekend of May 17 and 18

Welcome Drivers: as is tradition, the longest-running and **one of the most important Made in U.S.A. car rallies in Italy** returns to the **39th Biker Fest International** in Lignano Sabbiadoro. On the weekend of Saturday, May 17 and Sunday, May 18, the new Market Area location will be transformed into a piece of America. The chrome and shiny coupes, convertibles, muscle and pony cars will start their engines for **edition number 30**.

A historic milestone, perhaps unimaginable in the first U.S. Car Reunion, held in 1995 at Villanova del Friuli inside BFI number 9, to catalyze the stars, stripes and four-wheel motoring buzz.

Since that debut, the organizers of **Cruisin' Magazine** and **Old School Garage Club** have grown the show making it an “event within the event” at Biker Fest. Passion has paid off: in 2024 **more than 500 participating crews** gathered in Lignano Sabbiadoro from Italy and several European countries.

The U.S. Car Reunion (free entry, no pre-register) will revamp this year in the **Market Area**, set up next to the **Teghil Stadium**, to ensure the spaces for the turnout and circulation of the many car enthusiasts. Also in view of the **traditional Sunday morning parade** along the streets and avenues of the seaside town, which precedes the final awards ceremony in the afternoon.

The atmosphere will be enlivened by the **Pin-ups in perfect Fifties style**. Plus, **pre-2000 American cars** can also join the **Kustom & Classic meet** on Saturday, May 17, also in the Market Area (for info and registration: <https://www.bikerfest.it/en/events/kustom-classic-eng-2025>)

Once again, the motor summer fires up in Lignano Sabbiadoro!
